Adjustable Air Spring Kits

Air Lift 1000™

Our most versatile air springs
engineered for coil spring
suspensions, front or rear.

Solution for:
Most SUVs, CUVs, Cars,
Minivans with open coils,
Motorhomes/RVs

Air Lift 1000 HD™

All the same features
as the Air Lift 1000, but
designed exclusively for
Dodge RAM 1500 with an
increased leveling capacity.

Exclusively for:
2009-2022 RAM 1500

RideControl™

If you're a weekend road-tripper
and look forward to hitching up
a pop-up camper and loading
a mobile fire pit into the bed of
your truck, it's the kit for you.

Solution for:
1/2-ton trucks, SUVs

LoadLifter 5000™

LoadLifter 5000™ Series kits are
specifically engineered for towing
and hauling demanding loads.
LoadLifter 5000 Ultimate kits have
an internal jounce bumper to help
prevent bottoming out.

Solution for:
1/2, 3/4 and 1-ton trucks

LoadLifter 7500 XL™ ULTIMATE

Designed to support the largest
loads on the road.
20% larger than the LoadLifter
5000, the massive 7-inch double-
convoluted-bellow air springs create
a better ride than most products
with similar weight ratings.

Solution for:
3/4 and 1-ton trucks

Air Lift® PROSeries

The Air Lift® ProSeries is only
available through your Air Lift
Installer, assuring you a pro-level
installation.

The Air Lift® ProSeries includes
aluminum anodized end caps for
superior durability.

Solution for:
1/2, 3/4 and 1-ton trucks

LIFETIME AIR SPRING WARRANTY:

Standard limited lifetime air spring warranty. Air Lift covers the air
springs as well as the entire contents of the kit, including brackets,
fittings and air line. For more details go to: air-lift.co/lswarranty.

**Never exceed manufacturer's recommended Gross Vehicle Weight Rating.*

California: ⚠️ WARNING: Cancer and Reproductive Harm – www.P65Warnings.ca.gov

ProSeries endcaps are
precisely manufactured
from a single billet of
aluminum for superior
durability and longevity.

On-Board Compressor Systems

NEW Wireless Tank + EZ Mount

Available in both WirelessAir and WirelessOne configurations, the new
Wireless Tank + EZ Mount includes a 2-gallon air tank and air hose that
provides air on-demand for tires, toys or wherever needed!

Shown is the WirelessAir Tank + EZ Mount system

WirelessAir™

Advanced wireless, dual-path control
for side-to-side leveling.

WirelessOne™

On-the-go control without emptying
your wallet.

LoadController™

One-touch, in-cab control of your air springs
at an economical price.

COMPRESSOR SYSTEM WARRANTIES:

Two-year warranty when installed by consumer
and four-year warranty when purchased from and
installed by an Air Lift Authorized Installer. For more
details, go to: <http://air-lift.co/lswarranty>.

Why Buy Locally?

One Stop Shop.

Your local installer has the expertise to match your vehicle with the perfect Air Lift air spring kit and on-board air compressor system, unlike the online shopping experience that can leave your head spinning with endless options.

You're Family.

Your local installer takes the time to get to know you and your truck. You're not just a number or an email address. Their goal is to give you the personal attention you deserve and the perfect installation tailored specifically to your towing and hauling needs.

Service With a Smile.

Don't rely on an unknown shop that may lack experience installing Air Lift products. Your Air Lift Authorized Installer has the tools and know-how to get the job done right. Nobody knows your Air Lift system better. That frees you up to enjoy the more important things in life, like spending quality time with the family.

Hometown Proud.

Each dollar you spend at an independent business returns three times more money to the local economy than one spent at a chain.*
